We would need immense time to cover in detail the reasons you should consider RBP as your prime parts source, but briefly:

- ✓ **IT'S PEOPLE** – people with decades of experience with your equipment and the parts in it. People you can talk to, have confidence in, and be comfortable with. People you can trust.
- ✓ **IT'S QUALITY** – the very best that money can buy. We supply you with products specified by the OEM only – knives, slitters, belts, valves, air cylinders, motors, etc. We also produce specialty items such as swing down ink fountains, pulleys, clutches, belt drives, and maintenance kits.
- ✓ **IT'S UNCONDITIONAL GUARANTEE** – to perform in any environment. We have the latest precision equipment and computer-assisted inspection equipment. OEM specifications for tolerances, finishes, materials, and heat treating.
- ✓ **IT'S SERVICE** – 250,000+ parts on the shelf and an understanding that a newspaper press cannot be down.
- ✓ **IT'S PRICING** – that cannot be beat.
- ✓ **IT'S TRUST** - 30+ years of experience in OEM and custom press parts.
- ✓ Call our “**PRESS PARTS HOTLINE**” for any of your needs. Ask us for “**PRESS PARTS HOTLINE**” stickers or magnets; RBP will send enough to post on every press and maintenance area!
